Coverage For Unique Endeavors

STRONG PROTECTION FOR UNIQUE MARKETS

Capitol Specialty provides strong coverage for you.

With Capitol Specialty Insurance, protection is available for particular concerns that other insurance companies may ignore. Promising new businesses with great potential, but no track record, for example, still need coverage they can rely on.

Capitol Specialty Insurance focuses on light to medium loss exposures for smaller risks. Coverage includes primary property, inland marine, primary general liability and a limited amount of professional liability.

Where other insurers see only risk, we see new opportunities for service.

Capitol Specialty focuses on unique risks and markets through select agents. Because of our singular business focus, we know how to match our products with equally focused support, service and technology.

Coverage categories available from Capitol Specialty include Property, Inland Marine and Liability.
