HERE ARE THE ACCIDENT BENEFITS

DEATH BENEFIT - If, as a result of injury, an insured dies within one year from the date of the accident causing the injury, we will pay the death benefit less any specific loss benefit paid because of the same accident. The one year limit does not apply in a PA or WV contract.

SPECIFIC LOSS BENEFIT - If, as a result of injury, an insured suffers a specific loss within one year from the date of the accident causing the injury, we will pay:

75% of the face amount for loss of:
Each Arm
Each Leg

50% of the face amount for loss of:
Each Hand or Foot
Sight of Each Eye
Speech

25% of the face amount for loss of:
Hearing of Each Ear
Thumb and Index Finger of the Same Hand

The total payment for all of the specific losses of an insured because of any one accident will not be more than the face amount. No specific loss benefit will be paid if the death benefit applies. The loss of the thumb and index finger of the same hand benefit will not be paid if the loss of the hand or arm benefit applies. The loss of the hand or foot benefit will not be paid if the loss of the arm or leg benefit applies.

MEDICAL EXPENSE BENEFIT - If, as a result of injury, an insured incurs covered expenses starting within 90 days from the date of the accident causing the injury we will pay, less the deductible (if any) shown in the application and not to exceed the overall maximum benefit amount, all covered expenses incurred within 3 years from such date.

Covered expenses means the reasonable and customary charges for local ("local" not applicable in a CT contract) professional ambulance service to or from a hospital and/or surgical center as well as the following reasonable and customary charges for treatment, services, and supplies provided or prescribed by a doctor: (1) hospital or surgical center care; (2) medical treatment; (3) nursing care provided by a licensed nurse; (4) X-rays and lab exams; (5) prescription drugs and therapeutic services and supplies; (6) dental treatment as a result of injury to sound, natural teeth (natural teeth in SC); and (7) the following licensed home health care agency services and supplies provided instead of an otherwise required hospital or skilled nursing home confinement: (a) physical, occupational, respiratory, and speech therapy, (b) the services of a home health aide, and (c) medical supplies.

If excess medical has been elected, we will not pay benefits for, nor can this plan's deductible (if any) be satisfied by, covered expenses to the extent that they are collectible under certain other policies and/or health plans as stated in the policy.

(Coverage is provided under policy form No.: GR-9051-2. Certain provisions of the policy are summarized in this folder. All benefits are subject to the policy, which alone constitutes the agreement under which payments are made.)
